REQUEST FOR CORRECTED FILING RECEIPT

Dear Sir:

The official filing receipt has been received from the Patent Office in the above application.

There are two errors therein as shown on the attached copy of the filing receipt, as follows:

1. The family name (GAPONYUK) of the first inventor has been omitted.
2. The application number of the Russian priority application is incorrect.

Reference is made to pages 3 and 4 of the Combined Declaration & Power of Attorney, which was initially filed in this application.

It is believed that no fee is due since the correction is not due to any error by the applicant and issuance of a corrected filing receipt is respectfully requested.

Respectfully submitted,

March 19, 2002
